Nursing Services

Official Supplier

Corporate Nursing Services Inc. has been associated with the MTCC since 1993. As a preferred supplier, they provide high quality first aid care and ancillary nursing services to attendees of your events. You can be assured that your guests will receive prompt and skilled primary first aid care from experienced health care professionals. CNS-registered nurses are provincially regulated, respond to a variety of emergency situations, and provide over-the-counter and prescribed medications to attendees, if required. The MTCC highly recommends that CNS personnel be retained for all major events of 1,000 or higher.

For more information, please call 416-585-8199 or email coordination@mtccc.com

Renewable Electricity

OFFICIAL Supplier

Our People are the Centre

255 Front Street West, Toronto, Canada M5V 2W6
Telephone: 416-585-8000
Website: www.mtccc.com

As a leader in environmental responsibility the Metro Toronto Convention Centre has recognized that event and meeting planners have a strong desire to reduce the environmental impact of their events and to position their meetings as “green”. MTCC has partnered with Bullfrog Power, Ontario’s first 100% green electricity retailer, to provide MTCC clients with an option to purchase clean, renewable energy for their events. All of Bullfrog's power comes from clean, renewable wind power and low-impact water power generators in Ontario that have received Environment Canada's Environmental ChoiceM Program EcoLogoM certification.

By bullfrogpowering your event you will:

- Reduce the event’s environmental footprint
- Help fight climate change
- Help create a healthier environment for families, communities and future generations
- Strengthen your event’s association with a clean environment and healthy lifestyle
