

MEET OUR LOCAL PARTNER HENDERSON BREWING CO.

Named for Robert Henderson, Toronto's first brewer, **Henderson Brewery** has a proud legacy of craftsmanship and community. Founded in 2013 by longtime beer lovers Steve Himel and Adin Wener, Henderson beer is balanced and flavourful.

From using electric vehicles to reusing beer cases that have kept over 100,000 boxes out of landfill, they share the MTCC's focus on keeping sustainability top of mind. We're proud to share this local craft beer, a genuine taste of Toronto's brewing spirit, with MTCC attendees from around the globe.

PROUDLY SERVING

- Henderson Best Amber Ale
- Henderson Pearson Express Non-Alcoholic IPA

"Supporting local helps local business, but more importantly it lets the people in the community shine and tell their stories through the products they make and the services they offer."

— Steve Himel,
General Manager at
Henderson Brewing Co.
