

# MEET OUR LOCAL PARTNER MALIVOIRE WINE COMPANY

Located on the scenic Beamsville Bench within Ontario's Niagara Escarpment, **Malivoire Wine Company** is a family-run winery founded in the mid-1990s by Martin Malivoire. Originally involved in film special effects, Martin transitioned to viticulture, acquiring vineyard land in 1995 and planting his first vines. From the beginning, Malivoire has crafted wines that are distinctly Canadian, and we are proud to offer this delicious wine to event attendees from around the globe.
