

# Donation Program

Will you have items left over after the show that you do not want to take back? Will these items still be useable? If so, please consider MTCC's donation program.

1

Send a photo and description to [donations@mtccc.com](mailto:donations@mtccc.com), or scan the QR code. Please send before the end of the event. If sent at move-out, we cannot guarantee a response.

2

Wait for approval.

3

If approved, an MTCC staff member will arrange to drop off a donation sticker to your booth, and they will let you know where to leave the item during move-out.

4

If not approved, you are responsible for the disposal of the item.
