

MEET OUR LOCAL PARTNER HENRY OF PELHAM

Henry of Pelham
Established: 1988, St. Catharines, Ontario

“As one of Niagara’s original VQA wineries we are proud to support an organization that emphasizes access to locally sourced Canadian products. Henry of Pelham is committed to minimizing its environmental footprint in the vineyard and winery. This is critical for the long-term preservation of both Ontario’s Greenbelt, and the Niagara Escarpment we call home.”

— Henry of Pelham Team

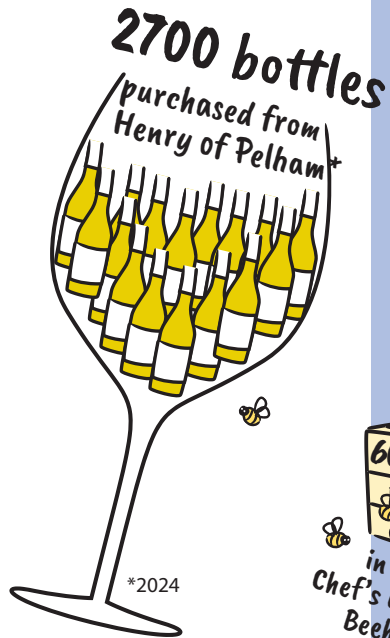

Henry of Pelham has been family owned and operated for nearly 40 years. The Speck brothers began planting vines on Niagara’s Short Hills Bench as teenagers in 1984, after their family repurchased land that had historically belonged to their forefathers. What started as a passion project has grown into one of Ontario’s most respected wineries. The MTCC is honoured to partner with the Henry of Pelham team to offer delicious local wine to attendees from around the world.
