11,000
hotel rooms at walking distance

2
hotels directly connect to the Centre

- Toronto is the 4th largest city in North America
- 135 million people live within a 90-minute flight of Toronto
- Our two international airports handle more than 1,400 flights a day
- Union Station and the UP Express, a 25-minute air-rail link to Pearson International Airport, are easily accessible via indoor tunnel
- The Centre is located in the heart of downtown Toronto, steps away from Canada's top attractions, restaurants and hotels
- Contemporary and flexible spaces equipped with state-of-the-art technology
- The John W. H. Bassett Theatre is equipped for performing arts as well as corporate events
- The Centre's renowned culinary team supports local food and creates restaurant-quality culinary experiences in-house
- Every event and exhibitor has the opportunity to reduce their environmental footprint by diverting event waste from landfill, recycling, donating leftover items/food, by using green electricity via Bullfrog Power and more.

Fun Facts

Many international conventions hosted at the MTCC take place in Canada for the first time

The MTCC is the only facility to host both a G7 and G20 Summit

The Centre operates beehives on the roof of the South building. Each hive is home to 60,000 bees

The Centre occasionally serves as a movie, TV and commercial set. It has been the backdrop for productions such as *Total Recall* and *Suits*
